Parents/Guardians of FSHS students,

This letter is to provide you with the procedures for students riding a different bus or car home in the afternoon.

Arrangements for your child riding a different bus should be made **at home** prior to coming to school. For example, if your child is going home with a friend, then all parents and children should be aware of the plans **before** your child comes to school. The student, who will be riding a different bus, should bring the ***Permission To Ride School Bus With Another Student*** form to school that gives permission by the parent/guardian for this to occur. **These forms are available from your child's bus driver, in the office, or you may print one online from the FSHS Website.** (We have attached a copy of this form on the backside of this letter.) The student should bring the form to the office before 1st period begins so that it can be approved. For students, who will be riding in a different car home instead of the usual car or bus, **NO** note is required: however, arrangements for this should be made **at home** prior to the school day. If you have any questions concerning this matter, please call the office.

Sincerely,

John Chewning
Principal
